Navigating a quiz

Quizzes are an important part of this module to help improve and consolidate your learning.

To navigate a quiz:

1. Click **Attempt quiz now** to start the quiz.
2. Answer the questions by either selecting an answer (multiple-choice quiz; True or false quiz), selecting an option from the drop-down menu (Match up quiz; Fill in the gaps quiz), or dragging and dropping answers by their definition.
3. When you have answered all of the quiz questions, click **Finish attempt** (bottom right hand corner).
4. You will go to a summary page of all of your answers. If you want to change any of your answers, click **Return to attempt** to go back into the quiz. If you're happy with your answers, click **Submit all and finish**.
5. A pop-up message will appear. Click **Submit all and finish**.
6. You will go to a feedback page. If you have completed the quiz, instructions will appear to take you to the next section of the course.

If you need to try the quiz again, select the link **Attempt the quiz again**. Click **Re-attempt quiz**.
